To the Citizens of Hartley County

I am please to present the official budget of Hartley County for the fiscal year 2012-2013. Hartley County Commissioners Court adopted this budget on the 10th day of September 2012.

The Budget is funded by a tax rate of .354822 cents per \$100.00 Valuation which is one of the lowest rates statewide. For the coming year, the proposed apportionment of the tax rates is as follows.

Maintenance and Operations (General Fund)	.325000
Debt Service (Interest and Sinking Fund)	0.029822
Total Tax Rate	0.354822

Hartley County remains in sound financial Condition, despite the difficult financial times. We have been able to keep our taxes very stable and with no major increases.

Hartley County Commissioners court continues to look at each program and departments to find ways to produce a budget that is lean as possible, while still providing adequate funding for important county services.

On behalf of the Commissioners Court of Hartley County and all the elected officials let me say Thank You for allowing us to serve you and for entrusting us with your tax dollars.

Sincerely,

Ronnie Gordon

Hartley County Judge
